- Docker (basic knowledge)

PROFILE SUMMARY

I'm Front-end developer with commercial experience 6 month. I've been working with in HTML, CSS/SASS/SCSS, Javascript, Vue.js, Vuex, Vuetify, i18n.

I have technical degree, but I've been started my education in web-development in 2021 and continue practicing through creating my own pet-projects.

My knowledge is nothing without real practice, so I dream to get into a good team, multiply my experience and develop in programming.
